You'll Save Money at Quaker Hill Farm

Dear Friend:—

Your seed dollar will buy more seed value at Quaker Hill Farm because we grow a large part of the seed we sell, avoiding middle man costs as much as possible, and we spend very little on agents or advertising. These savings are passed on to you in higher quality seeds or lower prices or both.

All of our grass, legume and other forage crop seeds are of top quality, of recommended strains, and from approved sources. Our hybrid corn varieties, according to Cornell tests over several years, are the equal of any and better than many, in both yields and standability. With them, you not only produce a high yield but it will be harvestable with the minimum of waste. We have certified seed of the best strains of spring grains for New York and not certified seed of some grown from Registered seed. In seed potatoes we offer mostly Foundation stocks which experience has proved definitely produce more and better potatoes than certified. For soil bank plantings we offer the recommended legume and grass seeds at prices that will save you money.

Notice also the generous quantity discounts, — 30¢ per bu. on legumes, 45¢ per bag on oats, 50¢ per cwt. on grasses, 50¢ to \$1.00 per bu. on corn. You can combine orders with a neighbor, if necessary, to get these discounts. Mail that order now to avoid possible shortages or higher prices. We will hold seeds until you want them.

Small seeds are ready now. Grains will be ready in March. Potatoes in April. Write or phone before coming for large orders to be sure everything is ready.

We are located 3 miles north of Honeoye Falls, 14 miles southeast of Rochester, half way between Rush and Mendon, at the intersection of routes 251 and 65. Sale hours are from 8 to 12 and 1 to 5, week days only. Telephone 144-J.

Yours to help you save more and make more, K. C. LIVERMORE
